GRINGO S ECE HELMETS

The Gringo S is built around Biltwell's injection-molded ABS outer shell and features a shock-absorbing EPS liner with hand-stitched interior padding, cheek pads and BioFoam chin bar cushion for comfort. The Gringo S shield boasts awesome optics and simple hinge mechanics for high style and easy removal for replacement or cleaning. The shield has also received scratch-resistant and anti-fog treatments for superior performance in all conditions. This modern/classic full-face helmet is both US DOT- and ECE-compliant. Available in six sizes and a Skittles sack of hand-painted finishes.

- Injection-molded ABS outer shell is rugged and lightweight
- Expanded Polystyrene foam safety liner features hand-stitched comfort liner with brushed Lycra panels
- Comfort liner and cheek pads are removable and replaceable for cleaning and fine-tuning fitment
- Scratch-resistant anti-fog molded polycarbonate shield on Gringo S suitable for day- and night-time riding
- Anodized aluminum shield hardware
- Padded chin bar with diamond pattern detailing
- Meets ECE and US DOT safety standards
